- 8.2 The Authority shall notify the Facility Agent as to whether any person to whom the Facility Agent proposes to transfer the Service Provider's rights and liabilities under the Project Documents is a Suitable Substitute Contractor, on or before the date falling twenty (20) Business Days after the date of receipt of all information reasonably required by the Authority to decide whether the proposed transferee is a Suitable Substitute Contractor.
- 8.3 The Authority shall not unreasonably withhold or delay its decision on whether the proposed transferee is a Suitable Substitute Contractor.
- 8.4 On any transfer referred to in clause 8.1 becoming effective:

²⁴ Construction contracts may also contain other caps on liability e.g. a liquidated damages cap. Again, any rights of the Authority to make a claim should be subordinated to Accrued Rights.

²⁵ There may be other key sub-contracts in respect of which the Authority has a collateral warranty (e.g. professional team). 10.8 Notwithstanding the terms of the Collateral Warranties or any other provisions of this clause 10, each of the Relevant Sub-Contractors, together with any guarantors thereof, shall remain responsible, and be liable, to the Service Provider and the Secured Finance Parties in respect of all costs, claims, damages, losses and liabilities which have arisen out of or in connection with the Works/Services Contracts, or the Security Documents and Direct Agreements relating thereto, in respect of the period prior to and including the Termination Date and the Service Provider and the Secured Finance Parties (and the Facility Agent and/or the Security Trustee acting on behalf of the Service Provider and/or the Secured Finance Parties) shall retain the benefit of all their respective rights to all such costs, claims, damages, losses and liabilities (the **Accrued Rights**).

10.9 In addition to its other rights under this clause 10, where following service of a Termination Notice but before expiry of the Required Period a Relevant Sub-Contractor has served a notice of termination, discontinuance or

suspension on its contracting counterparty (whether the Service Provider or otherwise) in accordance with the terms of the relevant Works/Services Contract, the Authority may pay directly, or undertake to make a payment directly, to the Relevant Sub-Contractor, amounts properly due, payable and undisputed under or pursuant to the relevant Works/Services Contract and may set off such sums after they have been paid against any amounts payable by the Authority to the Service Provider under the Project Agreement, so as to satisfy them pro tanto, provided that the Authority shall not be able to exercise its rights pursuant to this clause 10.9 in circumstances where the Secured Finance Parties:

- (a) have stepped-in to, or otherwise, directly or indirectly, taken control over the relevant Works/Services Contract and not stepped out of it or otherwise relinquished control; or
- (b) are seeking to preserve continuity of the service or build obligation (as relevant) under the relevant Works/Services Contract or otherwise with reasonable diligence.

10.10 To the extent that the Authority makes a payment under clause 10.9 above, the Authority shall not be entitled to make double recovery by making a deduction from the Unitary Charge under the Project Agreement in respect of performance failure by the Relevant Sub-Contractor without making an equivalent deduction against the payment made direct by the Authority to the Relevant Sub-Contractor.

10.11 On early termination of the Project Agreement for any reason the Authority shall be entitled to set-off any payments made to sub-contractors under clause 10.9 (to the extent not previously set-off in accordance with that clause) against any payments made under the Project Agreement (subject to clause 59.4 (Set-Off on Termination) of the Project Agreement).

10.12 Where the Secured Finance Parties do not have any Accrued Rights against the Relevant Sub-Contractor, or in the event that the Facility Agent fails to comply with clause 10.14, the Authority may exercise its rights under the relevant Collateral Warranty without restriction.

10.13 On and after the earlier of:

- (a) the Senior Debt Discharge Date; and
- (b) the date on which the Facility Agent has given its written consent,

the Authority shall be entitled to exercise its rights under the Collateral Warranties in connection with the Construction Contract, FM Contract, or other Works/Services Contract in accordance with the Collateral Warranties without restriction.

10.14 Following termination of the Project Agreement, the Facility Agent shall, within ten (10) Business Days of receipt of a written request from the

Authority, provide to the Authority written details of all Accrued Rights of which it is aware, having made enquiry of the Service Provider and the Secured Finance Parties:

- (a) that the Service Provider may claim against the Relevant Sub-Contractor; and
- (b) that any Secured Finance Party may claim against the Relevant Sub-Contractor,

together with an indicative non-binding assessment of the FM Accrued Rights Value, the FM Accrued Rights Termination Value, [the FM Accrued Rights Life Cycle Works Value], the Construction Accrued Rights Value and the [Construction Accrued Rights Liquidated Damages Value]²⁷.

- 10.15 Prior to the Senior Debt Discharge Date but following termination of the Project Agreement, where the [Lenders] have enforced their security and a receiver appointed by or on behalf of the [Lenders] has made a prescribed part of the Service Provider's net property available for the satisfaction of unsecured debts (under section 176A of the Insolvency Act 1986) the Authority may claim as an unsecured creditor against the Service Provider for a share of such prescribed part.
- 10.16 Notwithstanding the terms of the Project Agreement and Security Documents, the Facility Agent and the Security Trustee agree that the Authority may exercise its rights to have transferred any Unrestricted Assets to the Authority or its nominee following the Termination Date and neither the Facility Agent nor the Security Trustee shall exercise or seek to exercise any enforcement rights and shall, on or before the date any Unrestricted Assets are transferred to the Authority or its nominee, as the case may be, each release its security over them.
- 10.17 Notwithstanding the terms of the Project Agreement, and subject to clause 10.18, the Authority agrees that it will not exercise or seek to exercise any of its rights to require a transfer of any revenues or cash balances or rights accrued as at the Termination Date under or pursuant to or in connection with any of the Relevant Required Insurances, any Works/Services Contract or any Project Document comprised in the Assets to the Authority or its nominee on or following the Termination Date until the Senior Debt Discharge Date.
- 10.18 The Authority may, at its option, and subject to agreement of the value of any such revenues, cash balances, or claims by the Facility Agent in its absolute discretion, and payment of such sum to the Facility Agent, require a transfer of any revenues or cash balances or rights accrued as at the Termination Date under or pursuant to or in connection with any Works/Services Contract comprised in the Assets to the Authority or its nominee on or following the Termination Date.

²⁷ To the extent that the Authority has rights in respect of other Collateral Warranties (see clause 10.7), the Facility Agent should provide the same information in relation to the corresponding sub-contracts.

11 Miscellaneous

- 11.1 The Authority shall, at the Service Provider's expense, take whatever action the Facility Agent, an Appointed Representative or a Representative taking a transfer in accordance with clause 8.1 (Novation) may require for perfecting any transfer or release under clauses 5 (Representative), 7 (Step-Out) and 8 (Novation) including the execution of any transfer or assignment, and the giving of any notice, order or direction and the making of any registration which, in each case, the Facility Agent, Appointed Representative or Representative reasonably requires.
- 11.2 Subject always to the continuing obligations of the parties under clause 1, clause 2.5, clause 10, clause 11.3 and clauses 12 to 20, this Agreement shall remain in effect until:
- (a) the date on which all amounts which may be or become owing by the Authority to the Service Provider under Schedule 22 (Compensation on Termination) of the Project Agreement have been irrevocably paid in full; or
 - (b) in the event that the Authority elects to pay the Adjusted Estimated Fair Value of the Contract or the Senior Debt element of any Termination Sum in instalments in accordance with paragraph 4 of part 7 of schedule 22 (Method of Payment) of the Project Agreement, the date on which such election is made,
- whereupon the Facility Agent or Security Trustee (as relevant) agrees on behalf of itself and the Secured Finance Parties to release any security granted in their favour over the Unrestricted Assets.
- 11.3 On the earlier of the Expiry Date and the Senior Debt Discharge Date the Facility Agent or Security Trustee (as relevant), acting on behalf of itself and the Secured Finance Parties, shall release any security granted in their favour over any Assets which have not previously been assigned to the Authority and this Agreement shall terminate in full.
- 11.4 The Facility Agent, in respect of clauses 11.4(a), 11.4(b) and 11.4(c), and the Service Provider in respect of clause 11.4(d), shall promptly notify the Authority of:
- (a) any decisions to accelerate the maturity of any amounts owing by the Service Provider to the Lenders under the Senior Financing Agreements and/or demand repayment;
 - (b) the Senior Debt Discharge Date on or before the date falling twenty (20) Business Days after its occurrence;
 - (c) the details and amount of any proposed Additional Permitted Borrowing, including:

- (i) the circumstances giving rise to it and reasons for it; and
 - (ii) the terms on which it will be borrowed; and
 - (iii) on the first Business Day of each calendar month during which any Additional Permitted Borrowing is, or may be, subsisting, the amount outstanding under the Senior Financing Agreements (as the same may be amended (whether or not with the approval of the Authority)), and, to the extent it is aware (having made reasonable and proper enquiry):
 - (A) the amount of any Distribution made by the Service Provider; and
 - (B) the amount of any credit balance on any account of the Service Provider.
- 11.5 The Contractor joins in this Agreement, inter alia, to acknowledge and consent to the arrangements set out and agrees not knowingly to do or omit to do anything that may prevent any party from enforcing its rights under this Agreement.
- 11.6 For the avoidance of doubt, if there is any conflict or inconsistency between the provisions of this Agreement and the Project Agreement, the provisions of this Agreement shall prevail.
- 11.7 If the Authority elects to pay the Adjusted Estimated Fair Value of the Contract or the Senior Debt element of any Termination Sum in instalments in accordance with clause paragraph 4 of part 7 of schedule 22 (Method of Payment) of the Project Agreement, the Authority shall not subsequently set off against or make any deduction from any instalment or interest relating thereto in respect of any claim or liability of which the Authority becomes aware after the Termination Sum has been finally agreed or determined, save to the extent that after such amount has been set off or deducted, the termination payment made (excluding interest payable pursuant to clause paragraph 4 of part 7 of schedule 22 (Method of Payment) of the Project Agreement) would be an amount greater than or equal to the Base Senior Debt Termination Amount or the Revised Senior Debt Termination Amount, as the case may be at the time.

12 Assignment

19.2 The Facility Agent, Security Trustee and the Service Provider hereby consent to the issue by the Authority of a certificate under Section 3 of the Local Government (Contracts) Act 1997 in respect of this Agreement.

19.3 The parties acknowledge that failure by the Authority to issue a certificate in accordance with Clause 19.2 shall, pursuant to clause 78.3 (Failure to Issue a Certificate) of the Project Agreement, give rise to a right for the Service Provider to terminate the Project Agreement and an entitlement for the Service Provider to be paid compensation by the Authority. No additional compensation shall be payable by the Authority pursuant to this Agreement in such circumstances.

19.4 The relevant discharge terms within the meaning of Section 6 of the Local Government (Contracts) Act 1997 are set out in Part 2 of Schedule 22 (Compensation following Authority Default, Authority Voluntary Termination or Termination on an Authority Break Point Date and Relevant Discharge Terms) of the Project Agreement. - 20.2 If a dispute arises in relation to any aspect of this Agreement, the parties shall consult in good faith in an attempt to come to an agreement in relation to the disputed matter.
- 20.3 Without prejudice to clause 20.2, and subject to clause 20.4 either of the Authority or the Facility Agent (or, if relevant, the Security Trustee) may give the other notice of its intention to refer the dispute to an Expert for determination (the **Notice of Expert Determination**). The Notice of Expert Determination shall include a brief statement of the issue to be referred and the redress sought.
- 20.4 If a dispute arises in relation to determination of any Accrued Rights Value in accordance with clause 10.14 (Authority's Rights), either of the Authority or the Facility Agent (or, if relevant, the Security Trustee) may refer the dispute directly to the courts of England and Wales for final resolution. If such a reference is made the parties shall not (unless they agree otherwise) be required to comply with the dispute resolution procedure set out in the remainder of this clause 20.
- 20.5 The Authority and the Facility Agent (or, if relevant, the Security Trustee) shall attempt to agree the identity of the Expert within five (5) Business Days of the date of issue of the Notice of Expert Determination. The parties shall comply with any request or direction of the Expert in relation to resolution of the dispute.
- 20.9 The Expert shall provide to the Authority and the Facility Agent (or, if relevant, the Security Trustee) his written decision on the dispute within ten (10) Business Days after the date of receipt of the Referral Notice (or such other period as the parties may agree). The Expert shall state the reasons for his decision. Unless and until revised, cancelled or varied by the courts of England and Wales, the Expert's decision shall be binding on all parties who shall forthwith give effect to the decision.
